Garbage Pick-Up

Village Ordinance states that you may put your garbage out AFTER 6PM THE NIGHT BEFORE YOUR REGULAR PICK-UP DAY. Anyone who puts their garbage out prior to 6:00 P.M. is subject to a fine. Garbage must be placed in 30-gallon covered garbage cans. Green recycling bins are available at the Norridge Village Hall. Each resident will receive one free bin. Additional bins are available for \$10.00 each.

Your garbage cans, bags, yard waste and recycling bin must be either on your parkway or on the curb. Do NOT PUT GARBAGE DIRECTLY ONTO THE STREET. This will prevent any problems with snow removal or heavy rains.

Clean-Up Week

We hold two Clean-Up weeks during the year, one in the late spring and one in early fall.
