To All Norridge Residents:

This is an unprecedented time in our lives. We continue to receive updates from the Centers for Disease Control and Protection (CDC), the Illinois Department of Public Health (IDPH), the Illinois Emergency Management Agency (IEMA) and the Office of the Governor. We do ask the following of our residents and those who wish to do business with us:

CALL US FIRST at 708-453-0800: There is a strong possibility that we can help you from the comfort and safety of your own home and you will not have to come to the Village Hall. We are able to provide you with the following services over the phone:

- Obtain the balance on your water bill
- Take street light outage information
- Assist with garbage that was not picked up
- Order replacement garbage carts
- Pay bills and tickets (also remember you can pay online at any time)
- Take mail delivery complaints
- Give you passport information
- Provide Village Bus service information
- Help you with identifying your polling location and much, much more.

We would like to limit in-person visits to Village Hall and will do what we can to take care of your requests via phone.

We will get through this together. Stay safe & healthy.
